Notice
WARNING CONCERNING COPYRIGHT
RESTRICTIONS

The copyright law of the United States (Title 17, U.S. Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement. This institution reserves the right to refuse to accept a copying order, if, in its judgement, fulfillment of the order would involve violation of copyright law.

I HAVE READ the above **NOTICE** and I hereby request the following copies of the items described below. I assume full responsibility for copyright questions that may arise concerning this reproduction or its use for publication.
